

Would you have liked to be a Pharaoh in Ancient Egypt?

Y6 Zebras – Summer 2022

During our history lessons this term, we have been learning about Ancient Egypt. We were given the question, ‘Would you have liked to be a Pharaoh in Ancient Egypt?’ for our enquiry based learning.

In our history lessons, we have learned about Ancient Egyptian society, Gods, Goddesses, and the role of a Pharaoh.

We had the Ancient Egypt boxes of delight to start us thinking about ancient artefacts and what they were used for. We played with Ancient Egyptian games, coded hieroglyphics

and examined some suspect tools..one included the device used in mummification!

We created videos using the green screen to make a documentary style video. Some of us called our channel 'Bridgewater History Channel' and 'Bridgewater News'.

In our videos, we discussed the knowledge that we had learned in our history lessons and then answered the question, 'Would you have liked to be a Pharaoh in ancient Egypt?'. Most of us said no because we didn't want to get assassinated for our wealth and riches plus, the thought of mummification scared us a little!
