

Parents will:

Bring me to school every day unless I am ill.

Let school know immediately if I'm really not well.

Get me to school by 8.40am every morning and by 8:10am when I'm in Year 6.

Make sure I wear my uniform every day.

If I wear earrings, make sure I wear stud earrings because 'big ones' might get caught.

Read my book with me when I bring it home and remind me to take it back at the correct time.

Help me with my homework and remind me to take it back to school at the correct time.

Talk to my teacher about my problems and look at my lovely work.

Come and talk to the teachers and collect my reports on 'Parents Evenings'.

School will:

Take care of my safety and happiness.

Ensure I work hard and reach my full potential.

Provide a broad and balanced programme of learning for me.

Help me to become more independent and confident.

Keep you informed through regular 'Parents Evenings' about my progress.

Talk to you if they have any concerns about me

Welcome you into Bridgewater and involve you in partnership in the life of the school
